Re: Amended Petition of Cricket Communications, Inc. for Designation as an Eligible Telecommunications Carrier, WC Docket No. 09-197

Dear Ms. Dortch:

On March 12, 2012, Cricket Communications, Inc. ("Cricket") submitted its Amended Petition for Designation as an Eligible Telecommunications Carrier, which revised Cricket's December 2009 application to ensure compliance with recently adopted rules. A March 22, 2012 supplement to the Amended Petition attached Cricket's Lifeline application template as a new Exhibit 8. In light of the Commission's recent withdrawal of its request for OMB approval for its new requirement that eligible telecommunications carriers verify temporary addresses of Lifeline subscribers every 90 days, Cricket has made minor modifications to its application template. The modified application template is attached hereto. In the event that the Commission seeks OMB approval in the future to enforce new requirements with respect to verification of temporary addresses, Cricket will modify its application form accordingly.

Please contact the undersigned should you have any questions.

Sincerely,

/s/ Matthew A. Brill
